CITY OF MARTINEZ **CITY COUNCIL AGENDA**
June 15, 2011

TO: Mayor and City Council

FROM: Tim Tucker, City Engineer

SUBJECT: Levying Assessment for Landscaping and Lighting Assessment District 2001-1, Alhambra Estates

DATE: June 3, 2011

RECOMMENDATION:

Conduct public hearing and approve the Engineer's Report and the assessment for 2011-12.

BACKGROUND:

The date for this public hearing was set for June 15, 2011 by resolution at the Council meeting of May 18, 2011. The required notices for this hearing date have been published. State law provides that the hearing shall be conducted prior to August 10, 2011, unless another date is set by the County Auditor.

The assessments in this district provide for landscape maintenance costs including irrigation, water, and weed abatement. Energy costs for street lighting are included in this district. The funds collected will be used only within the boundaries of this district, and any deficit or surplus left in the account will be carried over to next year's budget accounts.

The assessments for the prior fiscal year for this district were $16,518.10. There are not any proposed district boundary changes, new improvements or substantial changes. The proposed assessments for Fiscal Year 2011-12 will be $16,750.00. The increase represents a 2.6% Consumer Price Index allowable adjustment.

FISCAL IMPACT:

The Engineer's Report for this assessment district does not include a general fund contribution; however, the Engineer's Report does include the allocation of $700.00 contribution to be allocated from the City's NPDES funds for one-half of the annual maintenance costs associated with the detention basin within the assessment district boundaries.

If the assessment is not levied, alternate funding sources will need to be identified to pay for these annual maintenance costs.

ACTION:

Landscaping and Lighting Assessment District 2001-1 Alhambra Estates and approve the following:

A. Motion ordering any changes in improvements, report, diagram, or assessments.
B. Resolution approving the Engineer's Report, and confirming the district diagram and assessments for the 2011-12 Fiscal Year.
C. Resolution overruling protests (if required, must be adopted by 4/5 vote).
