TO: Mayor and City Council

FROM: Tim Tucker, City Engineer

SUBJECT: Levying Assessment for Landscaping and Lighting Assessment District 1994-1, Creekside

DATE: June 15, 2012

RECOMMENDATION:

Conduct Public Hearing, and approve the Engineer's Report, and the assessment for 2012-13.

BACKGROUND:

The date for this public hearing was set for June 20, 2012 by resolution at the Council meeting of May 16, 2012. The Public Hearing notice was republished for the rescheduled meeting date of June 27, 2012. State law provides that the hearing shall be conducted prior to August 10, 2012, unless another date is set by the County Auditor.

The assessments in this district provide for landscape maintenance costs including irrigation, water, and weed abatement. Energy costs for street lighting are not included in this district. The funds collected will be used only within the boundaries of this district, and any deficit or surplus left in the account will be carried over to next year's budget accounts.

The assessments for the prior fiscal year for this district were $6,469.80. There are not any proposed district boundary changes, new improvements or substantial changes. The proposed assessments for Fiscal Year 2012-13 will be $6,469.80.

FISCAL IMPACT:

The Engineer's Report for this assessment district does not include a general fund contribution. If the assessment is not levied, alternate funding sources will need to be identified to pay for these annual maintenance costs.

ACTION:
