

CITY OF MARTINEZ

**CITY COUNCIL AGENDA
May 21, 2014**

TO: Mayor and City Council
FROM: Tim Tucker, City Engineer
SUBJECT: Levying Assessments for LLAD 1988-1 (Center Martinez) for Fiscal Year 2014-15
DATE: May 14, 2014

RECOMMENDATION:

Adopt resolutions: 1) describing improvements and changes for fiscal year 2014-15; and 2) declaring the City’s intent to levy and collect assessments, setting the date for public hearing on June 18, 2014 and directing the City Clerk to publish all required notices. By motion, approve Engineer’s Report for Landscape and Lighting Assessment District 1988-1, Center Martinez.

BACKGROUND:

Section 13.29.010, Martinez Municipal Code, adopted on March 18, 1981, incorporates the Landscaping and Lighting Act of 1972 in the Martinez Municipal Code. This allowed the City to form Assessment Districts for the purpose of maintaining landscaping and lighting facilities over the public rights-of-way, easements and properties.

No boundary changes, no new improvements or substantial changes in maintenance are proposed for fiscal year 2014-15.

There is no increase in assessments. Assessments in this district provide for continued landscape maintenance, weed abatement, irrigation and improvements as described in the Engineer’s Report. Energy costs and street lighting costs are not included in this district. The budgeted General Fund contribution of \$4,000 has remained the same for fiscal year 2014-15. This General Fund contribution will avoid running the district into a negative fund balance and is for the general benefit to the City and surrounding areas. We will be writing the owners within the District describing a need to increase the Assessment in future years to cover increased costs. Should they agree, an election in accordance with Proposition 213 will be required.

The funds collected in this assessment district will be used only within the boundaries of the district, and any deficit or surplus left in the account from prior years will be carried over to next year’s assessment. The City Engineer, a Registered Civil Engineer, is designated as a qualified “Engineer” for the purposes of performing duties pursuant to the Martinez Municipal Code. The Engineer’s Report is on file in the office of the City Clerk.

FISCAL IMPACT:

The General Fund contribution should remain at \$4,000 for fiscal year 2014-15 to avoid running the district into a negative fund balance and is for the general benefit to the City and surrounding areas. If the assessment is not levied, alternate funding sources will need to be identified to pay for these annual maintenance costs.

ACTION:

For Landscaping and Lighting Assessment District 1988-1, Center Martinez:

- A. Adopt resolution describing improvements and changes.
- B. Adopt resolution of intention to levy and collect assessments, set date for public hearing on June 18, 2014 and direct City Clerk to give and publish all required notices.
- C. Motion approving the Engineer's Report.
