DISCUSSION:

On June 4, 2014 the City Council approved the schematic plans for Waterfront, Mt. View and Susana Street Parks. Overall the Council was very pleased with the designs of all three parks. Council Member AnnaMarie Avila Farias suggested, and the rest of the Council agreed, that the Mexican/Mexican American history of Martinez should be the historical theme for Susana Street Park. The Council also request staff return with updated plans for the Waterfront Park Project once they are more developed.

The Parks Subcommittee will be meeting at 6 pm on June 17 with Council Member Avila Farias and the designer. The Subcommittee members will provide a verbal update to the full PRMCC.
