**CITY COUNCIL AGENDA
June 18, 2014**

TO: Mayor and City Council
FROM: Tim Tucker, City Engineer
SUBJECT: Levying Assessment for Landscaping and Lighting Assessment District
2000-2, Terra Vista
DATE: June 11, 2014

RECOMMENDATION:

Conduct public hearing and approve the Engineer's Report and the assessment for 2014-15.

BACKGROUND:

The date for this public hearing was set for June 18, 2014 by resolution at the Council meeting of May 21, 2014. The required notices for this hearing date have been published. State law provides that the hearing shall be conducted prior to August 10, 2014, unless another date is set by the County Auditor.

The assessments in this district provide for landscape maintenance costs including irrigation, water, and weed abatement. Energy costs for street lighting are included in this district. The funds collected will be used only within the boundaries of this district, and any deficit or surplus left in the account will be carried over to next year's budget accounts.

The assessments for the prior fiscal year for this district were \$6,762.00. There are not any proposed district boundary changes, new improvements or substantial changes. The proposed assessments for Fiscal Year 2014-15 will be \$6,762.00.

FISCAL IMPACT:

The Engineer's Report for this assessment district does not include a general fund contribution. If the assessment is not levied, alternate funding sources will need to be identified to pay for these annual maintenance costs.

ACTION:

Hold Public Hearing for Landscaping and Lighting Assessment District 2000-2 Terra Vista and approve the following:

- A. Public hearing ordering any changes in improvements, report, diagram, or assessments.
- B. Resolution approving the Engineer's Report, and confirming the district diagram and assessments for the 2014-15 Fiscal Year.
- C. Resolution overruling protests (if required, must be adopted by 4/5 vote).
