SUBJECT: Vandalism in the Parks

DATE: December 9, 2014

At the November 18th meeting of the PRMCC, Commissioners Pallotta and Fuller made an inquiry about the communication between the Public Works Department and the Police Department when a park is vandalized. The Commissioners wanted to ensure that the two departments communicate to one another when a vandalism incident occurs.

Both departments conveyed that when parks maintenance staff encounters vandalism, the incident is always reported to the police department, who then dispatches an officer to the scene to take a crime report.
