From: Dave Lusty, Parks Supervisor

Subject: Park Maintenance Update, January

---

## **Parks**

Extensive tree pruning was done at Golden Hills Park. Irrigation system was checked at all Parks. Leaks repaired at Hidden Lakes and Harbor office. Two dead trees were removed at Rankin Park. Two fallen trees were removed at John Muir. Valve was replaced at Highland Park. Fertilizing was done at all turf areas.

## **Medians, Roadside**

Irrigation system checked on all medians. Pruning was done on all medians. Replaced a valve on Marina Vista.

## **Open Space**

Repaired entrance gates at Glacier Drive and Hidden Lakes Court.
