

**CITY OF MARTINEZ
PARK, RECREATION, MARINA & CULTURAL COMMISSION AGENDA**

AGENDA DATE: April 21, 2015
TO: PRMCC
FROM: Tim Tucker
SUBJECT: Measure H update

RECOMMENDATION:

Accept report.

DISCUSSION:

1. *Susana Street and Mt. View Park Parks* – On April 1, 2015 the City Council awarded a bid to Suarez & Munoz Construction Inc. The City received a total of four bids that ranged from \$1.225M to \$1.614M. The project is being funded with a combination of Developer Impact Fees (\$200,000 Pulte Homes), Gas Tax (\$220,000) for frontage and off site street improvements, and Measure H. Suarez & Munoz was the contractor that recently completed Hidden Valley, Nancy Boyd and Cappy Ricks Park.

2. *Hidden Lakes Soccer Field* – In February Staff advertised for qualified consultants to design the artificial turf soccer field at Hidden Lakes Park. The existing turf field does not stand up to normal use due to soil conditions and high demands. The City received four responses. The list was narrowed to three very qualified three respondents. Interviews were recently conducted and Siegfried consulting firm will be the staff recommended designer. In January Siegfried acquired Beals Alliance. Both firms had partnered on many projects in the past. Beals has four decades of field design experience and was a leading design firm for artificial turf fields. Siegfried is a multidisciplinary civil engineering firm out of Sacramento. The merger of the two firms helps streamline the interaction of field design with the needed infrastructure.

Staff will be negotiating a scope, price and schedule over the next couple weeks. It is anticipated a recommendation will be brought to the Council by April 15th for approval of a Consultant Services Agreement.

3. *Waterfront Park* – Design of the park is underway. Staff will be meeting with the designers the week of April 20th to keep the project on track.
