

**CITY OF MARTINEZ
PARK, RECREATION, MARINA & CULTURAL COMMISSION AGENDA**

AGENDA DATE: September 15, 2015

TO: PRMCC

FROM: Tim Tucker

SUBJECT: Measure H update

RECOMMENDATION:

Accept report.

DISCUSSION:

- 1. *Susana and Mt. View Parks*** – The construction at both Susana Park and Mt. View Park is substantially complete. The ribbon cutting for Susana Park is scheduled for 6PM, October 20th. The Recreation Division will be planning the event. More details will be provided with the event invitation. The Parks Subcommittee will be meeting to discuss outstanding issues at Susana Park.

- 2. *Hidden Lakes Soccer Field*** –The schematic plan is scheduled to be reviewed by the City Council on September 16, 2015. On September 8, 2015 the Heritage Soccer Club indicated that the United States (US) Soccer Federation recently issued new field size maximums and guidelines for all US soccer organizations including AYSO and club organizations that will become effective in 2016. The Hidden Lakes soccer field is constrained by the existing pathways but a preliminary review indicated the slightly larger dimensions would fit within the existing grass area. Staff and the Parks Subcommittee will be reviewing proposed modifications to field layout should both AYSO and Heritage agree to propose minor modifications on field size and layout.

- 3. *Waterfront Park*** – Dillingham Associates is working on the construction design drawings for the project based on the approved schematic design.
