

**CITY OF MARTINEZ
PARK, RECREATION, MARINA & CULTURAL COMMISSION AGENDA**

AGENDA DATE: October 20, 2015
TO: PRMCC
FROM: Tim Tucker
SUBJECT: Dog Park information

RECOMMENDATION:

Accept report.

DISCUSSION:

The PRMCC created a Dog Park Subcommittee to evaluate the possibility of developing a dog park in Martinez. After almost two years of work and research, on July 15, 2014 the PRMCC agreed to maintain the Dog Park being mentioned in the current Park System Master Plan under Section J4 "Proposed Park Additions, Amenities, Facilities & Design Elements" as opposed to moving to Section K "Capital Improvement Projects (CIP) & Priorities." At the request Commissioner Olson, on February 17, 2015 revisited their action of July 15, 2014 and no changes were made.

A group of residents and non-residents have recently spoken at Council meetings under Public Comment supportive of a dog park in Martinez. Staff anticipates giving an update to the Council on November 4 on the work completed by the Dog Park Subcommittee and subsequent PRMCC action.
