TO: PRMCC

FROM: Tim Tucker

SUBJECT: Pickleball update

RECOMMENDATION:

DISCUSSION:

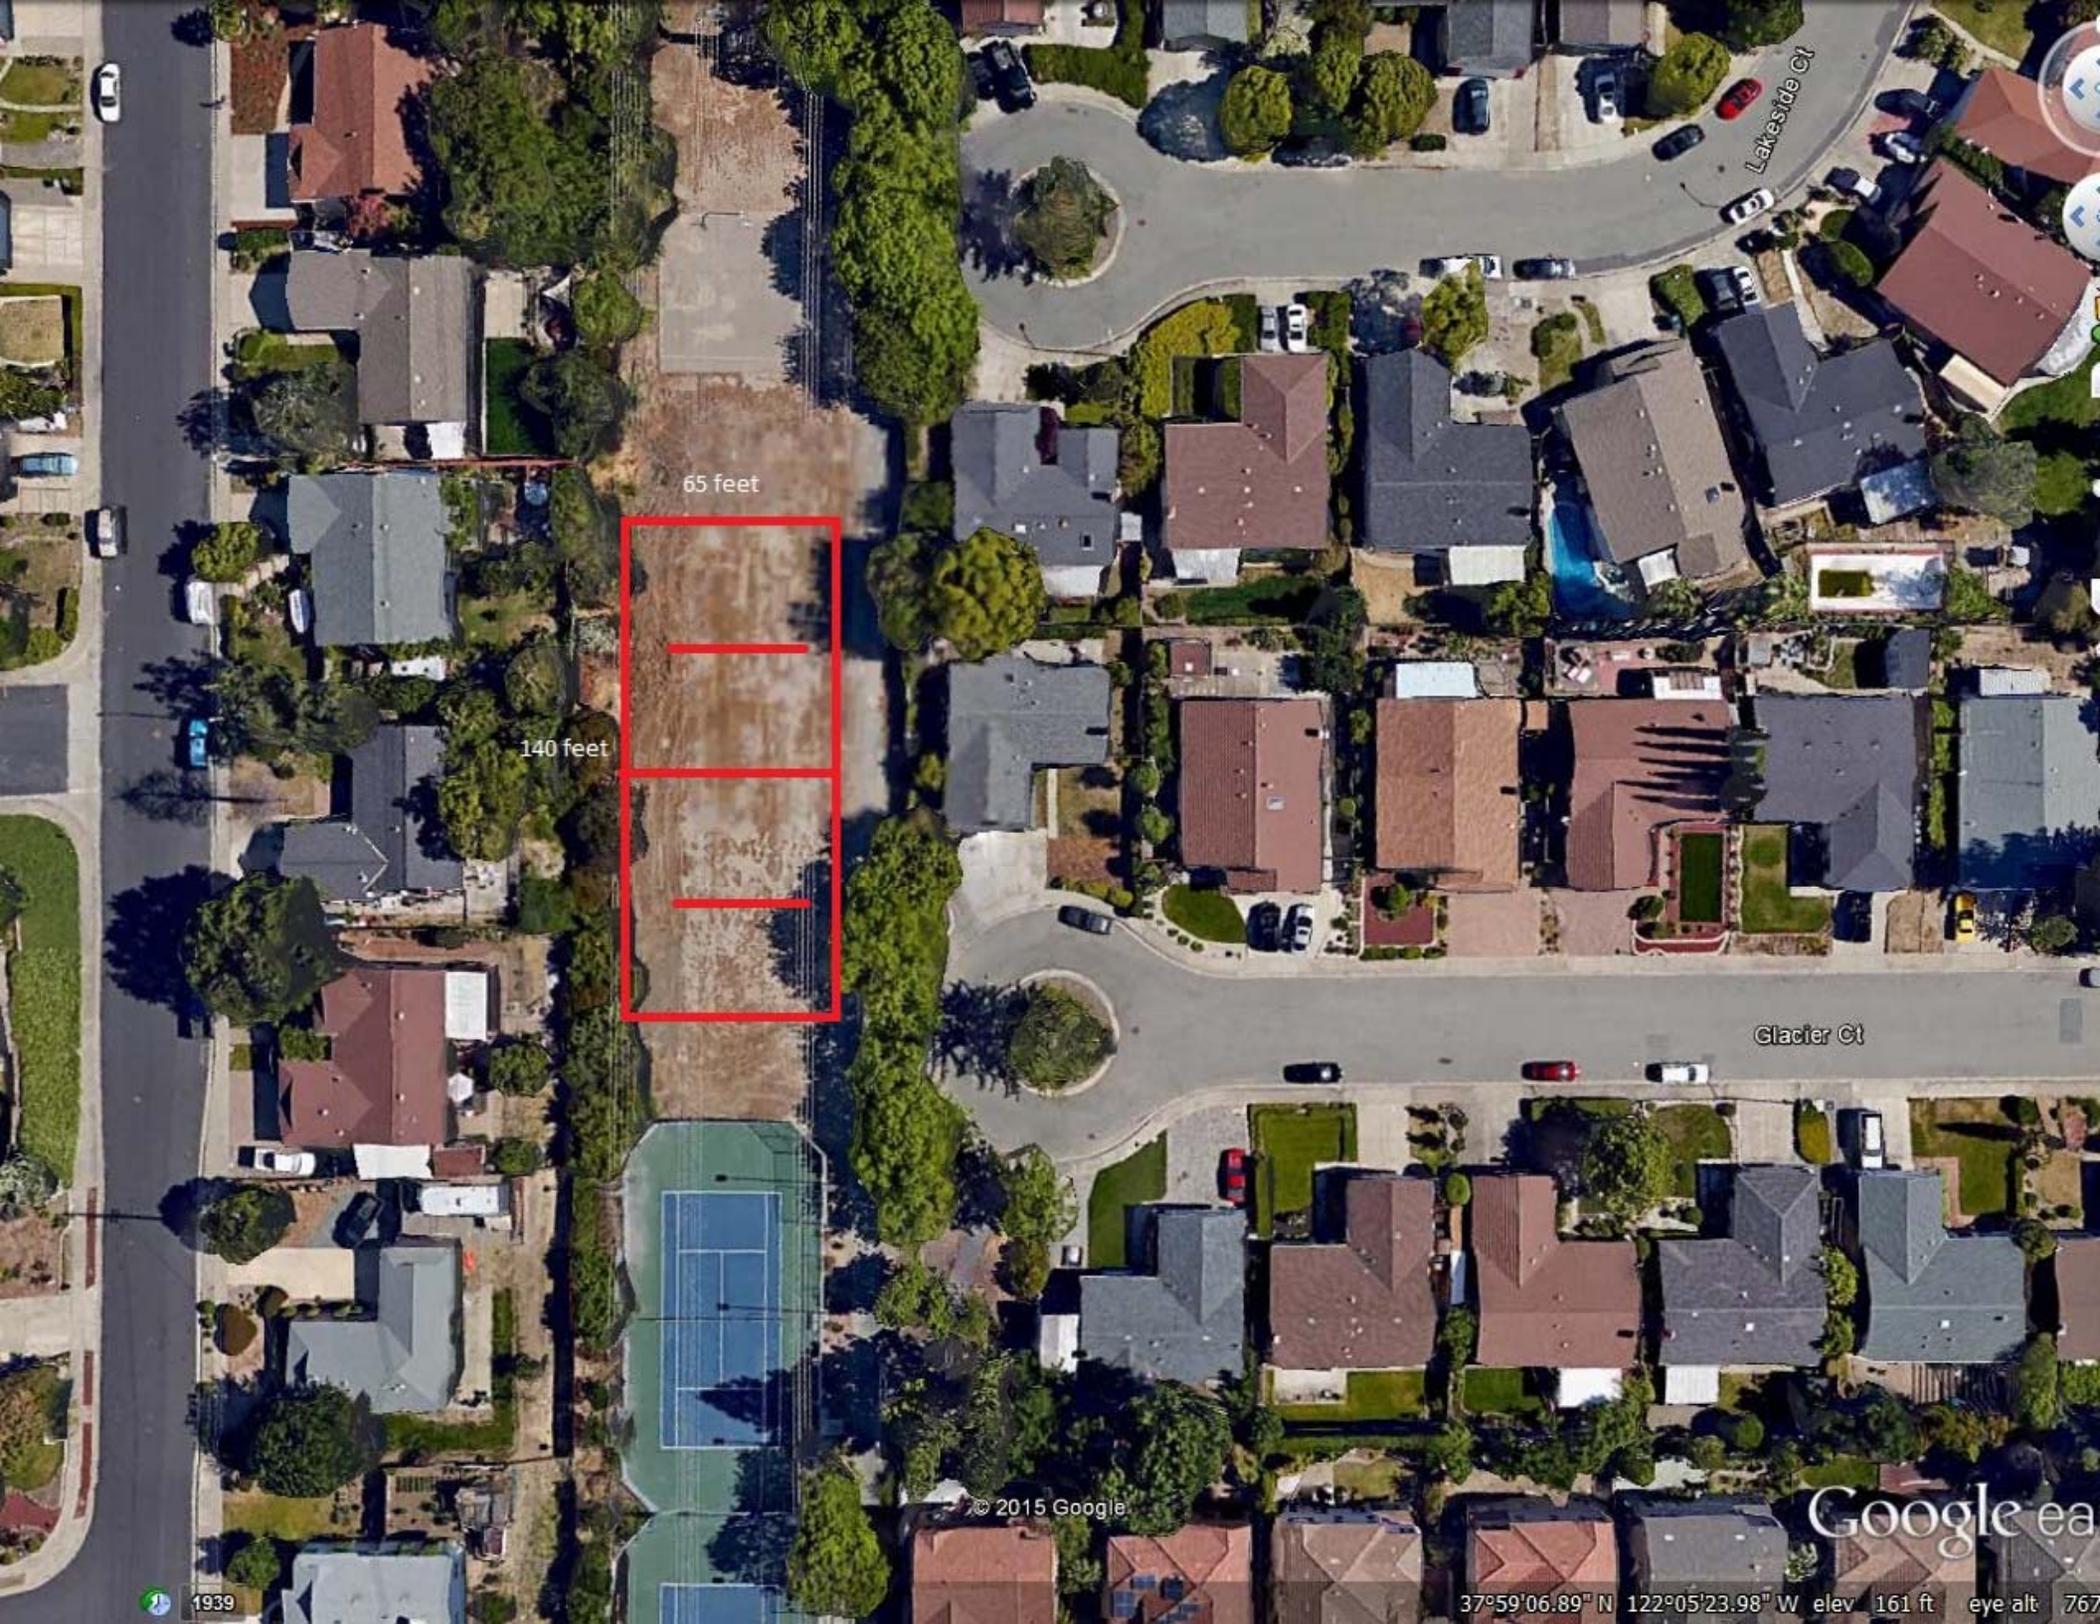

The City Council created an Ad-Hoc Pickleball subcommittee. The Subcommittee is comprised of Councilmembers DeLaney and McKillop. They held their second meeting on January 29th. One representative from Pickleball was in attendance along with staff.

The agenda included short term measures and long term goals. The Subcommittee is recommending the following short term measures:

- Re-stripe the second Hidden Valley Park tennis court for dual tennis and pickleball use
- Set priority hours for pickleball –
 - Tuesday, Wednesday and Thursday 5PM – 7PM
 - Friday 8:30 AM – Noon
 - Saturday 8AM – Noon
- Non priority hours on a first come first serve basis
- Install sign “Courts for Tennis and Pickleball use only.”

Temporary signs were placed as a test of effectiveness. The Pickleball representative indicated the temporary signs were working.

As of the Ad-hoc meeting the courts had not been striped due to cold and wet weather. The Pickleball representative requested staff consider striping four courts instead of the two courts striped on the south tennis court. It was agreed that should four courts fit they would be striped. After laying out the court corners it was determined the four courts layout infringed on the required safety zone between the court and existing fencing. Two Pickleball courts will be striped once weather and staff schedules allow.
