

**To:** Mayor and City Council  
**From:** Tim Tucker, City Engineer  
**Subject:** Levying Assessments for LLAD 1981-3 (Muir Station Park) for Fiscal Year 2016-17  
**Date:** May 16, 2016

---

**Recommendation**

Consider levying assessment for Landscaping and Lighting Assessment District, 1981-3, (Muir Station Park):

- A. Resolution describing improvements and changes for fiscal year 2016-17.
- B. Resolution declaring the City’s intent to levy and collect assessments, setting the date for a public hearing on June 15, 2016 and directing the City Clerk to publish required notices.
- C. Motion approving Engineer’s Report for Landscape and Lighting Assessment District 1981-3, Muir Station Park.

**Background**

Section 13.29.010, Martinez Municipal Code, adopted on March 18, 1981, incorporates the Landscaping and Lighting Act of 1972 in the Martinez Municipal Code. This allowed the City to form Assessment Districts for the purpose of maintaining landscaping and lighting facilities over the public rights-of-way, easements and properties.

No boundary changes, new improvements or substantial changes in maintenance are proposed for fiscal year 2016-17.

The recommendation for FY 2016-17 is no increase in assessments. Assessments in this district provide for continued landscape maintenance, weed abatement, irrigation and improvements as described in the Engineer’s Report. Energy costs and street lighting costs are not included in this district. The General Fund allocation of \$2,000 remains unchanged for fiscal year 2016-17. This General Fund contribution is necessary to avoid a negative fund balance for the district. The maintenance of the district is for the general benefit of the City and the surrounding areas.

The funds collected in this assessment district will be used only within the boundaries of the district, and any deficit or surplus remaining in the account from prior years will be carried over to next year’s assessment. The City Engineer, a Registered Civil Engineer, is designated as a qualified “Engineer” for the purposes of performing duties pursuant to the Martinez Municipal Code. The Engineer’s Report is on file in the office of the City Clerk.

**Fiscal Impact**

The impact to the General Fund is \$2,000 for fiscal year 2016-17. This General Fund allocation is necessary in order to avoid a negative fund balance for the district. The maintenance of the district is for the general benefit of the City and the surrounding areas. If the assessments are not levied, alternative funding sources will need to be identified to pay for the annual maintenance costs.
