**Recommendation**

Motion authorizing the City Manager to submit an entry form for the Joltin Joe to participate in the 2016 Antique and Classic Boat Society International Show, September 17 – 25, 2016 at Carnelian Bay, Lake Tahoe, California.

**Background**

In June, 2015, the Sons of Italy Diablo Valley Lodge 2167 and the Carpenters' Union Local 152, along with numerous volunteers, completed the restoration of Joltin Joe. The twenty-two foot Chris Craft boat once owned by legendary New York Yankee and Martinez native son Joe DiMaggio was restored to original specifications and museum quality under the supervision of Master boat builder Don Curtis. In July and August 2015, the Joltin Joe won awards at the South Lake Tahoe Wooden Boat Classic and the Lake Tahoe Concours d' Elegance. On September 23 – 25, 2016, the Classic Boat Society is hosting the International Boat Show at Carnelian Bay in Lake Tahoe and City staff would like to enter the Joltin Joe. City staff will take the boat and return it afterward.

**Fiscal Impact**

No impact to the General Fund. The Joltin Joe renovation project has a separate account which has been 100% funded by donations from local businesses, private citizens and special events conducted by the Sons of Italy Lodge and Home Town Hero organization.
