Recommendation

Adopt resolution authorizing the City to join the California Enterprise Development Authority (CEDA) as an Associate Member and authorizing CEDA, through Figtree Financing, to offer their program and levy assessments within the City of Martinez.

Background

Assembly Bill (AB) 811, signed into law on July 21, 2008, and AB 474, signed into law January 1, 2010, amended Chapter 29 of Part 3 of Division 7 of the Streets & Highways Code of the State of California (“Chapter 29”) to authorize a legislative body to designate an area within which willing property owners may enter into a voluntary contractual assessment to finance the installation of energy efficiency and conservation, water efficiency and conservation, seismic improvements and renewable energy generation upgrades on their property. The contractual assessment is collected by the County tax collector through the property owner’s annual property tax bill and the financing has come to be known as “PACE,” which stands for Property Assessed Clean Energy.

Properties can be annexed into the AB 811 PACE program and be subject to the property tax assessment that is imposed to repay project financing only if (1) the Council adopts a resolution consenting to the inclusion of parcels in the incorporated areas of the City within the program and (2) each participating owner consents in writing to the annexation of its property into the PACE program.

Figtree is one of several PACE financing companies operating in the United States. Over 100 municipalities throughout California have joined the Figtree program, which is offered through its JPA partner the California Enterprise Development Authority (CEDA). Together, Figtree and CEDA offer the program as a complete turn-key PACE solution without cost to the City.

To participate in the PACE program, the City must become an Associate Member of the California Enterprise Development Authority (CEDA). The CEDA Associate Membership Agreement is attached. Associate membership requires no dues or other costs to the City, but permits participation in all CEDA programs including the PACE program. The attached resolution approves the City joining the CEDA as an Associate Member.

Discussion

The City of Martinez has previously approved participation in four other PACE programs: “CaliforniaFirst,” in 2010, Home Energy Renovation Opportunity (“HERO”), in January 2015; and both “Ygrene” and “Open PACE” in December 2015. Figtree representatives presented an overview at the September 21, 2016 Council Meeting. Adding the Figtree PACE program provides an additional option for City property owners. The City will require any new PACE program administrator such as Figtree to sign an indemnification and insurance agreement as a condition of operating in Martinez.

The Figtree PACE program provides 100% upfront financing to residential and commercial property owners for a wide range of eligible property improvements. As mentioned, repayment is made through an owner’s annual property tax payment, with flexible repayment terms ranging from 5 to 20 years. PACE may also allow payments to be passed on to a new property owner if the property is sold before the PACE financing is paid in full.

The item before City Council is to consider adopting the Figtree PACE Financing Program to allow both residential and commercial property owners in the City to voluntarily place assessment liens on their property for the purpose of installing energy efficiency and conservation, water efficiency and conservation, seismic improvements and renewable energy generation upgrades.

FHFA Issues

In July 2010, the Federal Housing Finance Agency (FHFA) announced its opposition to PACE financing programs. FHFA’s rationale for opposing PACE programs is based on the senior lien status afforded by California law to PACE transactions. In the event of a default, borrowers could be required to repay PACE lenders prior to repaying their original mortgage lenders. FHFA fears that this priority in repayment could make mortgages on properties participating in PACE more risky for mortgage lenders. Since 2010, the State of California in conjunction with PACE providers has taken several actions to ensure PACE does not pose a risk to the mortgage industry.

To address these concerns, Figtree incorporates the following measures and requirements into its residential PACE program:

- **Maintains a 15 Percent Equity Requirement:** Maintaining minimum equity requirements for participating property owners limits the risk to lenders by ensuring there is sufficient equity in the property from which a PACE assessment can be paid in the event of default. This equity cushion ensures both lenders and PACE programs will be able to recover their investments.
- **Limits Assessments to 10 Percent of Property Value:** Limiting the assessment amount is another way to limit the risk to lenders. Combined with equity requirements, the 10% limitation provides a great deal of protection to lenders.
- **Evaluates Past Payment History:** Performing a review of each property owner’s past property tax payment history eliminates from eligibility many of the property owners who are likely to default on their property tax payments in the future. This screening process also reduces the risk exposure to both PACE bondholders and mortgage lenders.

- **Checks Borrower Credit Histories for Bankruptcies:** Again, this type of screening eliminates from eligibility property owners who are likely to default on their property tax payments in the future.
- **Participates in California's Loan Loss Reserve Program:** The State's Loan Loss Reserve Program provides additional protection to mortgage lenders for any lost cash outflows as a result of PACE assessment payments. Figtree participates in the Loan Loss Reserve Program.

Fiscal Impact

There are no fiscal impacts associated with the recommended action. There is no cost to the City to become an associate member of CEDA or to opt into the Figtree PACE program described in this report.

Section 4. Good Standing. The City is a municipal corporation and in good standing.

Section 5. Public Benefits. On the date hereof, the City Council hereby finds and determines that the Program and issuance of Bonds by CEDA in connection with Figtree PACE will provide significant public benefits, including without limitation, savings in effective interest rates, bond preparation, bond underwriting and bond issuance costs and reductions in effective user charges levied by water and electricity providers within the boundaries of the City.

Section 6. Appointment of CEDA. The City hereby appoints CEDA as its representative to (i) record the assessment against the Participating Parcels, (ii) administer the District in accordance with the Improvement Act of 1915 (Chapter 29 Part 1 of Division 10 of the California Streets and Highways Code (commencing with Section 8500 et seq.) (the "Law"), (iii) prepare program guidelines for the operations of the Program and (iv) proceed with any claims, proceedings or legal actions as shall be necessary to collect past due assessments on the properties within the District in accordance with the Law and Section 6509.6 of the California Government Code. The City is not and will not be deemed to be an agent of Figtree or CEDA as a result of this Resolution.

EXHIBIT A – CEDA RESOLUTION OF INTENTION

RESOLUTION OF THE CALIFORNIA ENTERPRISE DEVELOPMENT AUTHORITY DECLARING INTENTION TO FINANCE INSTALLATION OF DISTRIBUTED GENERATION RENEWABLE ENERGY SOURCES, ENERGY EFFICIENCY, SEISMIC RETROFITS, ELECTRIC VEHICLE CHARGING INFRASTRUCTURE, AND WATER EFFICIENCY IMPROVEMENTS IN THE CITY OF MARTINEZ

WHEREAS, the California Enterprise Development Authority (“CEDA”) is a joint powers authority authorized and existing pursuant to Joint Powers Act (Government Code Section 6500 et seq.) and that certain Joint Exercise of Powers Agreement (the “Agreement”) dated as of June 1, 2006, by and among the cities of Eureka, Lancaster and Selma; and

WHEREAS, CEDA is authorized under the Agreement and Chapter 5 of Division 7 of Title 1 of the Government Code of the State of California and in accordance with Chapter 29 of Part 3 of Division 7 of the Streets & Highways Code of the State of California (“Chapter 29”) to authorize assessments to finance the installation of distributed generation renewable energy sources, energy efficiency, seismic retrofits, electric vehicle charging infrastructure, and water efficiency improvements that are permanently fixed to real property (“Authorized Improvements”); and

WHEREAS, CEDA has obtained authorization from the City of Martinez (the “City”) to enter into contractual assessments for the financing of the installation of Authorized Improvements in the City; and

WHEREAS, CEDA desires to declare its intention to establish a Figtree PACE program (“Figtree PACE”) in the City, pursuant to which CEDA, subject to certain conditions set forth herein, would enter into contractual assessments to finance the installation of Authorized Improvements in the City.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE CALIFORNIA ENTERPRISE DEVELOPMENT AUTHORITY, AS FOLLOWS:

Section 1. Findings. The Board of Directors hereby finds and determines the following:

- (a) The above recitals are true and correct and are incorporated herein by this reference.
- (b) Energy and water conservation efforts, including the promotion of Authorized Improvements to residential, commercial, industrial, or other real property, are necessary to address the issue of global climate change and the reduction of greenhouse gas emissions in the City.
- (c) The upfront cost of making residential, commercial, industrial, or other real property more energy and water efficient, along with the fact that most commercial loans for that purpose are due on the sale of the property, prevents many property owners from installing Authorized Improvements.

- (d) A public purpose will be served by establishing a contractual assessment program, to be known as Figtree PACE, pursuant to which CEDA will finance the installation of Authorized Improvements to residential, commercial, industrial, or other real property in the City.

Section 2. Determination of Public Interest. The Board of Directors hereby determines that (a) it would be convenient, advantageous, and in the public interest to designate an area, which shall encompass the entire geographic territory within the boundaries of the City, within which CEDA and property owners within the City may enter into contractual assessments to finance the installation of Authorized Improvements pursuant to Chapter 29 and (b) it is in the public interest for CEDA to finance the installation of Authorized Improvements in the County pursuant to Chapter 29.

Section 3. Identification of Authorized Improvements. CEDA hereby declares its intention to make contractual assessment financing available to property owners to finance installation of Authorized Improvements, including but not limited to those improvements detailed in the Report described in Section 8 hereof (the "Report"), as that Report may be amended from time to time.

Section 4. Identification of Boundaries. Contractual assessments may be entered into by property owners located within the entire geographic territory of the City including unincorporated territory within City Boundaries. A property owner located within a City within the City may enter into contractual assessments with CEDA only after such City has adopted a resolution to authorize participation in the PACE Program.

Section 5. Proposed Financing Arrangements. Under Chapter 29, CEDA may issue bonds, notes or other forms of indebtedness (the "Bonds") pursuant to Chapter 29 that are payable by contractual assessments. Division 10 (commencing with Section 8500) of the Streets & Highways Code of the State (the "Improvement Bond Act of 1915") shall apply to any indebtedness issued pursuant to Chapter 29, insofar as the Improvement Bond Act of 1915 is not in conflict with Chapter 29. The creditworthiness of a property owner to participate in the financing of Authorized Improvements will be based on the criteria developed by Figtree Energy Financing (the "Program Administrator") upon consultation with Figtree PACE Program underwriters or other financial representatives, CEDA general counsel and bond counsel, and as shall be approved by the Board of Directors of CEDA. In connection with indebtedness issued under the Improvement Bond Act of 1915 that are payable from contractual assessments, serial and/or term improvement bonds or other indebtedness shall be issued in such series and shall mature in such principal amounts and at such times (not to exceed 20 years from the second day of September next following their date) and at such rate or rates of interest (not to exceed the maximum rate permitted by applicable law) as shall be determined by the Board of Directors at the time of the issuance and sale of the indebtedness. The provisions of Part 11.1 of the Improvement Bond Act of 1915 shall apply to the calling of the bonds. It is the intention of the Board of Directors to create a special reserve fund for the bonds under Part 16 of the Improvement Bond Act of 1915. Neither CEDA, nor any of its members participating in the Figtree PACE Program, shall advance available surplus funds from its treasury to cure any

deficiency in the redemption fund to be created with respect to the indebtedness; provided, however, that this determination shall not prevent CEDA or any of its members from, in their sole discretion, so advancing funds. The Bonds may be refunded under Division 11.5 of the California Streets and Highways Code or other applicable laws permitting refunding, upon the conditions specified by and upon determination of CEDA.

CEDA hereby authorizes the Program Administrator, upon consultation with CEDA general counsel, bond counsel and the Figtree PACE underwriter, to commence preparation of documents and take necessary steps to prepare for the issuance of bonds, notes or other forms of indebtedness as authorized by Chapter 29.

In connection with the issuance of bonds payable from contractual assessments, CEDA expects to obligate itself, through a covenant with the owners of the bonds, to exercise its foreclosure rights with respect to delinquent contractual assessment installments under specified circumstances.

Section 6. Public Hearing. Pursuant to the Act, CEDA hereby orders that a public hearing be held before CEDA Board (the "Board"), at 550 Bercut Drive, Suite G, Sacramento, CA 95811, on _____, _____, at _____ A_, for the purposes of allowing interested persons to object to, or inquire about, the proposed Figtree PACE Program. The public hearing may be continued from time to time as determined by the Board for a time not exceeding a total of 180 days.

At the time of the hearing, the Report described in Section 8 hereof shall be summarized, and the Board shall afford all persons who are present an opportunity to comment upon, object to, or present evidence with regard to the proposed Figtree PACE Program, the extent of the area proposed to be included within the boundaries of the assessment district, the terms and conditions of the draft assessment contract described in Section 8 hereof (the "Contract"), or the proposed financing provisions. Following the public hearing, CEDA may adopt a resolution confirming the Report (the "Resolution Confirming Report") or may direct the Report's modification in any respect, or may abandon the proceedings.

The Board hereby orders the publication of a notice of public hearing once a week for two successive weeks. Two publications in a newspaper published once a week or more often, with at least five days intervening between the respective publication dates not counting such publication dates are sufficient. The period of notice will commence upon the first day of publication and terminate at the end of the fourteenth day. The first publication shall occur not later than 20 days before the date of the public hearing.

Section 7. Notice to Water and Electric Providers. Pursuant to Section 5898.24 of the Streets & Highways Code, written notice of the proposed contractual assessment program within the City to all water and electric providers within the boundaries of the City has been provided.

Section 8. Report. The Board hereby directs the Program Administrator to prepare the Report and file said Report with the Board at or before the time of the public hearing described in Section 6 hereof containing all of the following:

- (a) A map showing the boundaries of the territory within which contractual assessments are proposed to be offered, as set forth in Section 4 hereof.
- (b) A draft contractual assessment contract (the "Contract") specifying the terms and conditions of the agreement between CEDA and a property owner.
- (c) A statement of CEDA's policies concerning contractual assessments including all of the following:
 - (1) Identification of types of Authorized Improvements that may be financed through the use of contractual assessments.
 - (2) Identification of the CEDA official authorized to enter into contractual assessments on behalf of CEDA.
 - (3) A maximum aggregate dollar amount of contractual assessments.
 - (4) A method for setting requests from property owners for financing through contractual assessments in priority order in the event that requests appear likely to exceed the authorization amount.
- (d) A plan for raising a capital amount required to pay for work performed in connection with contractual assessments. The plan may include the sale of a bond or bonds or other financing relationship pursuant to Section 5898.28 of Chapter 29. The plan (i) shall include a statement of, or method for determining, the interest rate and time period during which contracting property owners would pay any assessment, (ii) shall provide for any reserve fund or funds, and (iii) shall provide for the apportionment of all or any portion of the costs incidental to financing, administration and collection of the contractual assessment program among the consenting property owners and CEDA.

A report on the results of the discussions with the County Auditor-Controller described in Section 10 hereof, concerning the additional fees, if any, that will be charged to CEDA for inclusion of the proposed contractual assessments on the general property tax roll of the City, and a plan for financing the payment of those fees.

Section 9. Nature of Assessments. Assessments levied pursuant to Chapter 29, and the interest and any penalties thereon, will constitute a lien against the lots and parcels of land on which they are made, until they are paid. Unless otherwise directed by CEDA, the assessments shall be collected in the same manner and at the same time as the general taxes of the City on real property are payable, and subject to the same penalties and remedies and lien priorities in the event of delinquency and default.

Section 10. Consultations with County Auditor-Controller. CEDA hereby directs the Program Administrator to enter into discussions with the County Auditor-Controller in order to reach agreement on what additional fees, if any, will be charged to CEDA for incorporating the proposed contractual assessments into the assessments of the general taxes of the County on real property.

Section 11. Preparation of Current Roll of Assessment. Pursuant to Section 5898.24(c), CEDA hereby designates the Program Administrator as the responsible party for annually preparing the current roll of assessment obligations by assessor's parcel number on property subject to a voluntary contractual assessment.

Section 12. Procedures for Responding to Inquiries. The Program Administrator shall establish procedures to promptly respond to inquiries concerning current and future estimated liability for a voluntary contractual assessment.

Section 13. Effective Date. This resolution shall take effect immediately upon its adoption.
