Subject: Friends of the Library rep on Measure H Finance Oversight Committee

Hi Mercy:

Paul Craig is willing to serve on the finance oversight committee of Measure H representing the library. However, Paul is out of the country at this time and is not available until June.

If the mayor wishes I can have Paul fill out an application when he returns.

I do apologize for the inconvenience, but I think this item "fell between the cracks" with Joanne's retirement.

Regards,
Marta

Measure H Committee
Martinez, CA

2/19/2009

Ladies and Gentlemen of the Committee:

I am writing this letter on the behalf of Keith George. I have been involved with Keith for the last several years with the PHMSA Soccer Program (AYSO Sanctioned). Keith has always been attentive to his position on the board and the responsibilities that come with whichever position he has held or currently holds with PHMSA. He is an activist for the children that are involved with our program (2500 between Martinez and Pleasant Hill) and for the families that volunteer their time to insure a positive experience for all involved.

I have been a Martinez resident for the past 15 years and involved with both Youth Baseball and Soccer. I think it is important to find individuals to serve on these committees that truly realize the importance of participation in sports for children. Keith understands that the foundations learned in participating in sport and particularly team sports not only strengthen the bodies of these children but it helps develop well rounded adults that value teamwork and community.

Steven Van Winkle

Dear Commissioners:

I am writing to recommend Keith George for a position on the Measure H Oversight Committee.

Keith is the Assistant Regional Commissioner of the Pleasant Hill Martinez Soccer Association and currently coaches one of the four select soccer youth teams within the same association. Keith is well respected among the parents, coaches, referees, and players. He has always displayed a high degree of integrity, responsibility, safety and ambition. In addition Keith has provided numerous young people an opportunity to grow and learn good sportsmanship.

Keith deserves serious consideration as a potential committee member, and I recommend him highly for one of the two positions representing youth sports.

Sincerely,

Hello,

My name is Jennifer Tiangsing and I am a resident on Martinez. This letter is to recommend your consideration of Keith George for the Measure H Committee Board. Although I have only known him for a short period of time, I have known of him for many years through the AYSO of Martinez/Pleasant Hill. I can truly say he is more committed than anyone I know to our boys and their success as a team. What he teaches them is so much more than soccer. It is team work, perseverance, determination and self esteem. To our family his hard work and selfless dedication to the boys is much appreciated and admired.

Sincerely,
Jennifer Tiangsing

Measure H Committee
Martinez, CA

Ladies and Gentleman of the Committee:

This letter is being written on behalf of Keith George. Keith currently holds the Assistant Commissioner Position with PHMSA Soccer (AYSO Sanction). We have 2500 kids involved in our program. Keith is currently coaching one of my three children which all are involved with either baseball or soccer in our community.

I've coached both baseball and soccer and recognize great positive and fundamental coaching. I feel lucky to have Keith coaching one of my kids.

Keith, who has children of his own, understands the importance of team sports that go hand in hand with life skills in developing our kids into adults. Keith would be an asset to the Measure H Committee as he is with the families of our community.

Regards,

Rob Baldwin

Subject: Letter of Recommendation for Keith George

Ladies and Gentlemen:

I have had the pleasure of being acquainted with Keith George for over five years. I can say with certainty that he is fully dedicated to the City of Martinez and it's ongoing efforts to improve the conditions of our Parks and Facilities for the Youth of this city and the surrounding areas. Keith is a dedicated member of this community and if the City is looking for someone who will represent the interests of the city, and it's people he is hands down the person you are looking for. Though I have recently relocated to Walnut Creek, I grew up my entire young life in Martinez, and will always consider it my hometown, and only wish the best for its citizens.
