

CITY OF MARTINEZ

**CITY COUNCIL AGENDA
April 21, 2010**

TO: Mayor and City Council
FROM: Tim Tucker, City Engineer
SUBJECT: Morello Park Play Equipment replacement
DATE: April 16, 2010

RECOMMENDATION:

Allocate \$124,000 of Child Care Reserve funds for the replacement of play equipment at Morello Park.

BACKGROUND:

The Martinez Unified School District (MUSD) commissioned an inspection of the play equipment at Morello Park Elementary School/Morello Park for compliance with current State safety standards. The equipment is placed over four play areas of the school/park. It was determined the equipment no longer meets current State standards. The equipment was installed approximately 18 years ago with the construction of the school.

In 1991 the City entered into an agreement with MUSD for the installation and maintenance of the park and play equipment. The School District is requesting to work cooperatively with the City to replace the equipment in accordance with the agreement. The City is responsible for maintenance (replacement) of two of the four play areas. MUSD has taken the lead in obtaining designs and bids for the replacement of the equipment. They propose to utilize the California Multiple Award Schedules (CMAS) program to enter into a contract for the replacement.

The City's only child care facility is located at Morello Park. These play areas are used by children of the facility and provide more challenging play time for the children.

FISCAL IMPACT:

Child Care Fund Balance: \$124,228.57

Project Costs:

Demo/installation \$36,155.00
Play Surface \$92,182.04
Equipment \$115,430.69

Total \$243,767.73

City Share (50%) \$121,883.87

Inspection \$ 2,100.00

Grand Total (Rounded) \$124,000.00

ACTION:

Adopt resolution allocating \$124,000 of Child Care Reserve funds for the replacement of play equipment at Morello Park

APPROVED BY:

City Manager
