From: Patty Lorick, Recreation Supervisor
Subject: Pool Fees for Recommendation to City Council

RECOMMENDATION

- Approve the fee structure for private pool parties at Rankin Aquatic Center. Recommend the City Council adopt the Private Pool Party Fee Structure.
- Review and adjust the Measure H Fee structure for 2012. Recommend to the City Council the proposed fee structure.
- Review and adjust the Family Pass to \$14 for the daily fee. Recommend the fee increase to the City Council.

BACKGROUND

- Private pool parties proved to be extremely popular our first year of operation. Along with the popularity came fights, confusion, groups overwhelming the picnic areas and staff. Private pool party rentals will be handled through the Recreation Office which will streamline the process for parents and allow them to pay for the party with credit cards. We do not accept credit cards at the pool.
- April 2011, the City Council approved the attached Measure H Full Season Pass Fees. The fees included June 2 – September 2. Since the approval, our recreational swimming program was extended to September 16 and lap swimming September 28.
- The pool managers felt the \$12 fee for a Family Pass (up to 5 people) needs to be increased. The reasoning was that Mom, Dad, Grandma and two kids would normally pay \$19.50 and the pass was \$7.50 off the regular price, a substantial discount. Two parents and three children would be \$18.25 and their discount is \$6.25. The pool managers would like to see the fee raised to \$14.
