

Hello Mrs. Agostino.

The purpose of this email is an attempt to say thank you to the people who are responsible for Rankin Park. My wife brought our family there today for the first time and I was very impressed. The play structures appeared sturdy, modern and inviting. The overall layout of the park was first rate. Who ever designed the park did an excellent job and should be commended. Frankly, anyone that played a role in the park becoming a reality should be commended. As a Martinez resident I wanted to take a moment to share my family's appreciation. Please forward on this email to anyone who played a role in providing Rankin Park for the residents of Martinez.

Keep up the good work.
