

**CITY OF MARTINEZ  
PARK, RECREATION, MARINA & CULTURAL COMMISSION AGENDA  
December 18, 2012**

**TO:** Chairperson and Commissioners  
**FROM:** Tim Tucker, City Engineer  
**SUBJECT:** Park Maintenance Update

**RECOMMENDATION:**

Accept report.

**DISCUSSION:**

Due to staff illness a comprehensive report will not be provided. Maintenance staff however indicated that over the last past month primarily only routine maintenance occurred. Staff did clarify that trees planted at Rankin Park were outside the recent project limits. Redwoods were planted on the slope above the large play tree house. These trees will eventually create a great backdrop the natural looking play equipment.
