

**CITY OF MARTINEZ  
PARK, RECREATION, MARINA & CULTURAL COMMISSION AGENDA  
January 15, 2013**

**TO:** Chairperson and Commissioners  
**FROM:** Tim Tucker, City Engineer  
**SUBJECT:** Measure H Status Update

**RECOMMENDATION:**

Accept report.

**DISCUSSION:**

Staff has met with Frank Kluber and LCC regarding combining Nancy Boyd, Cappy Ricks and Hidden Valley Parks. Frank is the lead on this project and currently completing the specifications for the project. This is a large undertaking since the Hidden Valley specification were not provided in a format designed for bidding purposes. Construction will occur this summer and take approximately nine months to complete.

The Park Subcommittee will be meeting over the couple weeks to kick off Waterfront Park Renovation and other Measure H projects. Defining the scope of the project will be the first item of business, however, the relocation of the Skate Park entrance will be evaluated with the project.

**Miscellaneous Park related issue**

The City Cosco Busan grant application for the renovation of the fishing pier was denied.
