

**CITY OF MARTINEZ**

**CITY COUNCIL AGENDA  
May 15, 2013**

**TO:** Mayor and City Council

**FROM:** Tim Tucker, City Engineer

**SUBJECT:** Levying Assessments for LLAD 2000-2 (Terra Vista) for Fiscal Year 2013-2014

**DATE:** May 6, 2013

**RECOMMENDATION:**

Adopt resolutions: 1) describing improvements and changes for fiscal year 2013-14; and 2) declaring the City's intent to levy and collect assessments, setting the date for public hearing on June 19, 2013 and directing the City Clerk to publish all required notices. By motion, approve Engineer's Report for Landscape and Lighting Assessment District 2000-2, Terra Vista.

**BACKGROUND:**

Section 13.29.010, Martinez Municipal Code, adopted on March 18, 1981, incorporates the Landscaping and Lighting Act of 1972 in the Martinez Municipal Code. This allowed the City to form Assessment Districts for the purpose of maintaining landscaping and lighting facilities over the public rights-of-way, easements and properties.

No boundary changes, new improvements or substantial changes in maintenance are proposed for fiscal year 2013-14.

There is no increase in assessments. Assessments in this district provide for continued landscape maintenance, weed abatement, irrigation and improvements as described in the Engineer's Report. Energy costs and street lighting costs are included in this district.

The funds collected will be used only within the boundaries of the District, and any deficit or surplus left in the account from prior years will be carried over to next year's assessment. The City Engineer, a Registered Civil Engineer, is designated as a qualified "Engineer" for the purposes of performing duties pursuant to the Martinez Municipal Code. The Engineer's Report is on file in the office of the City Clerk.

**FISCAL IMPACT:**

There is no impact to the City's General Fund if the assessment is levied. If the assessment is not levied, alternate funding sources will need to be identified to pay for these annual maintenance costs.

**ACTION:**

For Landscaping and Lighting Assessment District 2000-2, Terra Vista:

- A. Adopt resolution describing improvements and changes.
- B. Adopt resolution of intention to levy and collect assessments, set date for public hearing on June 19, 2013, and direct the City clerk to give and publish all required notices.
- C. Motion approving the Engineer's Report.
