BACKGROUND

The Dog Park Subcommittee last meet in January prior to the PRMCC meeting. The Subcommittee recommended, and the PRMCC agreed to pursue the placement of a “small dog” dog park at Golden Hills Park and a general dog park on the detention basin site on Alhambra Avenue. The next steps are for staff to get input from Public Works and Recreation staff. In addition staff will develop a schematic plan of the fenced dog park areas for the subcommittee to review. Staff will schedule a Subcommittee meeting prior to the June PRMCC to review the department comments and schematic plan.
