To whom it may concern;

For the last seven years I tirelessly worked to establish a new business in Martinez. Through my efforts I've had the privilege to work with multiple city officials, school officials, large corporations, small business and private citizens. Building these relationships on integrity and educated decision making has allowed me to become the current Chairman of the Board for the Martinez Chamber of Commerce.

The reason for my application is simple. I'm a Martinez homeowner with a vested business interest in Martinez. This city has become a part of my family for the last seven years and will be for many years to come. I'd like to believe that my decision making involves fact based research and follows current policy and procedure, which in turn should lower the liability of our city.

Thank you for taking the time to consider my application. Please feel free to contact me at anytime with any questions or concerns.

Sincerely,

Dwayne Glemser
