

To: Mayor and City Council
From: Tim Tucker, City Engineer
Subject: Morello Daycare Playground Equipment Replacement Project
Date: December 14, 2016

Recommendation

Adopt resolution authorizing the City Manager to execute a California Multiple Award Schedules (CMAS) Agreement with Ross Recreation Equipment for the purchase and installation of play equipment and rubber surfacing for the Morello Daycare Facility and allocating \$72,250 of Park and Recreation Impact funds.

Background

The City constructed a facility located at 244 Morello Park Drive in 1992 for the purposes of operating a daycare center. The City also constructed an adjacent playground for the purposes of serving the children in the daycare program Monday through Friday until 6 pm, and the rest of the community after those hours and on weekends. Although the daycare center is no longer run by the City (it is leased by Shining Stars Preschool and Child Care Center), the maintenance/replacement of the playground equipment remains the exclusive responsibility of the City.

The play equipment at the Morello Park Daycare was last upgraded in 2001. At that time, the equipment was replaced and reconfigured to meet the State of California codes for playgrounds. The equipment has deteriorated over time and the lease holder recently requested City staff evaluate its condition, noting the wood bridge is loose and the rubber surfacing is in need of repair. The City Council set aside \$50,000 of Childcare Impact funds towards the replacement of the play equipment in the current CIP.

Discussion

The City's Risk Manger recommends replacement of the equipment. Park Maintenance staff met with Ross Recreation Equipment (Ross), a CMAS approved company, contracted by the State. They submitted a proposed layout and cost proposal. Ross provides high quality, versatile play equipment. Many of our parks have Ross equipment which coupled with their excellent customer service, makes repair and replacement easier for staff. The Park Recreation Marina and Cultural Commission's (PRMCC) Park Subcommittee, Park Maintenance staff and daycare operator have reviewed and recommend approval of the play equipment submittal by Ross.

Fiscal Impact:

Staff coordinated with Ross Recreation Equipment and received the attached design proposal, which came to a rounded total of \$93,245 with a total project cost estimated at \$112,250. When combined with the current programming of \$50,000 from Childcare Impact Fees in the Capital Improvement Program (CIP) budget, the remaining shortfall for this project is \$72,250. The PRMCC Board recommends the Council allocate Park and Recreation Impact funds to fully fund the project. The City has approximately \$402,000 remaining in Recreation Impact Fees at the close of FY 2015-16. Given this playground is open to the public after hours and on the weekends, in addition to being regularly used by children in the child care center, using a portion of the available Recreation Impact Fees to fund the shortfall is a warranted and advisable expense.

The project budget and funding is as follows:

<u>Budget</u>	<u>Amount</u>
Purchase and Installation (CMAS)	\$ 93,245
Contingency (10%)	\$9,000
Construction Mgmt./Inspection	<u>\$10,000</u>
TOTAL BUDGET (Rounded)	\$112,250
<u>Funding</u>	<u>Amount</u>
Child Care (existing)	\$50,000
Park and Recreation Impact Fees (proposed)	<u>\$ 72,250</u>
TOTAL FUNDNG	\$112,250

APPROVED BY:

Brad Kilger, City Manager

RESOLUTION NO. -16

AUTHORIZING THE CITY MANAGER EXECUTE A CALIFORNIA MULTIPLE AWARD SCHEDULES (CMAS) AGREEMENT WITH ROSS RECREATION EQUIPMENT FOR THE PURCHASE AND INSTALLATION OF PLAY EQUIPMENT AND RUBBER SURFACING FOR THE MORELLO DAYCARE FACILITY AND ALLOCATING \$72,250 OF PARK AND RECREATION IMPACT FUNDS

WHEREAS, the City of Martinez City Council (Council) allocated \$50,000 in Childcare Impact Fee funds for the Morello Park Daycare in the Fiscal Year 2016-17 Capital Improvement Program budget; and

WHEREAS, the Project includes the replacement of play equipment and rubber surfacing at the City of Martinez owned daycare site; and

WHEREAS, the City received a proposal from Ross Recreation Equipment for the design, providing equipment and installation for the Project; and

WHEREAS, Ross Recreation Equipment (Ross) has a California Multiple Award Schedules (CMAS) contract with the State of California; and

WHEREAS, CMAS offers a wide variety of commodities, non-IT services and information technology products and services at prices which have been assessed to be fair, reasonable and competitive; and

WHEREAS, the Project has a funding shortfall of \$72,250; and

WHEREAS, Park Recreation Marina and Cultural Commission recommend to the City Council approval of the design and recommends allocation of Park and Recreation funds in an amount of up to \$77,250 to fully fund the Project; and

WHEREAS, it is deemed to be in the best interest of the public and the City to implement the Morello Park Daycare Project.

NOW, THEREFORE, BE IT RESOLVED the City Council of the City of Martinez approves approving the City Manager execute a California Multiple Award Schedules (CMAS) Agreement with Ross Recreation Equipment for the purchase and installation of play equipment and rubber surfacing for the Morello Daycare Facility.

BE IT FURTHER RESOLVED the City Council allocates \$72,250 of Park and Recreation Impact funds to the Project.

Calculations are for standard product.

Landscape Structures Inc. ("Manufacturer") warrants that all playstructures and/or equipment sold will conform in kind and in quality to the specifications manual for the products identified in the Acknowledgment of Order and will be free of defects in manufacturing and material. Manufacturer further warrants:

100-Year Limited Warranty On all PlayBooster® and PlayShaper® aluminum posts, stainless steel fasteners, clamps, beams and caps against structural failure due to corrosion/natural deterioration or manufacturing defects, and on PlayBooster steel posts against structural failure due to material or manufacturing defects.

15-Year Limited Warranty On all Evos® and Weevos® steel arches, all plastic components (including TuffTimbers™ edging), all aluminum and steel components not covered above, Mobius® climbers, decks and TenderTuff™ coatings (except Wiggle Ladders, Chain Ladders and Swing Chain) against structural failure due to material or manufacturing defects.

10-Year Limited Warranty On concrete products against structural failure due to natural deterioration or manufacturing defects. Does not cover minor chips, hairline cracks or efflorescence.

8-Year Limited Warranty On Aeronet® climbers and climbing cables against defects in materials or manufacturing defects.

3-Year Limited Warranty On all other parts, i.e.: Pulse™ products, CableCore® products, all swing seats and hangers, Mobius climber handholds, Wiggle Ladders, Chain Ladders and ProGuard™ Swing Chain, Track Ride trolleys and bumpers, all rocking equipment including Sway Fun® gliders, PVC belting material, HealthBeat® resistance mechanism, Seesaws, Wiggle Ring Bridge, etc., against failure due to corrosion/natural deterioration or manufacturing defects.

The environment near a saltwater coast can be extremely corrosive. Some corrosion and/or deterioration is considered "normal wear" in this environment. Product installed within 500 yards (457 meters) of a saltwater shoreline will only be covered for half the period of the standard product warranty, up to a maximum of five years, for defects caused by corrosion. Products installed in direct contact with saltwater or that are subjected to salt spray are not covered by the standard warranty for any defects caused by corrosion.

This warranty does not include any cosmetic issues or wear and tear from normal use of the product, or misuse or abuse of the product. It is valid only if the playstructures and/or equipment are erected to conform with Landscape Structures' installation instructions and maintained according to the maintenance procedures furnished by Landscape Structures Inc.

2016 Play Equipment Warranty

You have our word.

All the warranties commence on date of Manufacturer's invoice. Should any failure to conform to the above express warranties appear within the applicable warranty period, Manufacturer shall, upon being notified in writing promptly after discovery of the defect and within the applicable warranty period, correct such nonconformity either by repairing any defective part or parts, or by making available a replacement part within 60 days of written notification. Manufacturer shall deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for providing labor or the cost of labor for the removal of the defective part or parts, the installation of any replacement part or parts or for disposal costs of any part or parts. Replacement parts will be warranted for the balance of the original warranty.

THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE.

The remedies hereby provided shall be the exclusive and sole remedies of the purchaser. Manufacturer shall not be liable for any direct, indirect, special, incidental or consequential damages.

Manufacturer neither assumes nor authorizes any employee, representative or any other person to assume for Manufacturer any other liability in connection with the sale or use of the structures sold, and there are no oral agreements or warranties collateral to or affecting this agreement. The warranties stated above are valid only if the structures and/or equipment are erected in conformance with Landscape Structures' installation instructions and maintained according to the maintenance procedures furnished by Landscape Structures Inc.; have been subjected to normal use for the purpose for which the goods were designed; have not been exposed to saltwater or salt spray; have not been subject to misuse, negligence, vandalism, or accident; have not been subjected to addition or substitution of parts; and have not been modified, altered, or repaired by persons other than Manufacturer or Manufacturer's designees in any respect which, in the judgement of Manufacturer, affects the condition or operation of the structures.

To make a claim, send your written statement of claim, along with the original job number or invoice number to: Landscape Structures Inc. 601 7th Street South, Delano, Minnesota, 55328-8605.

Signed:  President Date: 01/01/2016

Terms of Sale

PRICING: Landscape Structures' list prices do not include delivery and handling charges. Prices are subject to change without notice.

TERMS: To tax-supported institutions and those with established credit: net 30 days from the date of the invoice. 1.5% per month thereafter; freight charges are prepaid and applied to the invoice.

TAXES: Landscape Structures' list prices do not include applicable taxes, if any.

WEIGHTS: Weights are approximate and may vary.

DELIVERY: If delivery of the equipment is by common carrier, and there is damage or a shortage, notify the carrier at once and sign delivery documents provided by the carrier noting the damage or shortage. Most products are delivered on large pallets and will require a forklift or similar equipment to unload as a unit on the site.

INSTALLATION: All playstructures and/or equipment are delivered unassembled and packaged with recyclable materials. For a list of factory-certified installers in your area, please contact your Landscape Structures playground consultant.

SERVICE: We have knowledgeable, qualified playground consultants throughout the world who are available to help you before, during and after the sale. Landscape Structures has exclusive design software that features all of our parts and pieces in pull-down menus. With this software, your playground consultant can design a playground layout that meets not only your needs, but ASTM and CPSC standards as well. In addition, we have a full staff of NPSI-certified designers, along with 2-D and 3-D drawing capabilities and custom capabilities to assist you with your playground plans.

RETURN POLICY: As an indication of our commitment to our customers, Landscape Structures will accept returns of new structures and/or new equipment purchased within 60 days of the original invoice date. Advance notification is necessary to ensure proper credit. Parts not included in this return policy are custom parts (including PlayShaper® posts), as well as used or damaged parts. A 20% restock fee plus all return freight charges will apply to all product returns. NOTE: All parts are subject to inspection upon return. Parts returned damaged may not receive a full credit. For this reason, it is important that all returned parts are properly packaged to prevent damage while in transit.

PRODUCT CHANGES: Because of our commitment to safety, innovation, and value, we reserve the right to change specifications at any time.
